Romford

Dear Sirs,

Re: Romania

This letter confirms that your client's application for a Registration Certificate has been approved. The Registration Certificate, which contains an endorsement confirming your client's status, is enclosed with this letter together with the documents submitted in support of their application.

Your client should now sign the Registration Certificate and complete the address section with their details.

Yours faithfully,

M Brown  
Temporary Migration Team 27

Encs:  
1 National Identity Card  
Supporting Document
